French School In Belgrade, Serbia

Country: Serbia

End user name: French school in Belgrade

Website: http://www.efb.rs

Total number deployed: 20 seats in 1 classroom

Contact person: Mr. David Stevanović

Job Title: IT Manager

Applications: NetSupport School, Notepad++, collatinus, 7-Zip, Algobox, Chessmaster, GeoGebra 5, LibreOffice, Photofiltre, Audacity, VLC Media Player, Scratch 2, SweetHome 3D, Xcas, Fritzing.

Server configuration for 20 seats:

- **CPU :** Xeon E5-2620v3 *2
- **Memory :** 6*8GB 2133MHz
- **Disk :** 2*300GB
- **OS :** Windows Server 2012R2

Comment: We are very satisfied with the performance and low power consumption. Devices' minimal dimensions and the fact they produce no noise made the atmosphere in the classroom much better. We upgraded the overall teaching process and are very proud of our new modern classroom.
